**Subject:** Platform Eureka - CAF001149  
**Attachments:** CAF001149 - DMR Deficiency & Violation Report v2.6.xlsx

Hi Adam,

Attach is a modified DMR deficiency and violation report I ran for Platform Eureka. I ran this for the last 2 years; not sure what dates you were looking at. This report gives you more detail and tells you what the violation is. Line 460 & 463 shows the D80.

I've also sent this report to your ICIS BI in-box where you can retrieve it and run it for other permits as needed.
